Summary

Hello everyone! I'm Ayush Kumar Pandey, a second-year B.Tech student specializing in Computer Science

and Engineering. I'm a passionate learner, problem solver, and enthusiastic programmer, exploring the vast landscape

of CSE. My skill set includes key programming languages such as Python and C. I also have experience with DSA in C.

I am eager to expand my expertise by contributing to challenging projects and providing innovative solutions.

Currently, I'm diving into cyber security and am excited to explore the fields of software development and data

science to discover my true interests.
